## STUDENT COMFORT KITS. EASY AS 1 2 3!

Let Total Prepare take the hassle out of annual Student Comfort Kits! We make what used to be a major headache into a cakewalk by breaking it down into three easy steps:

- 1) Total Prepare provides a PDF form to be sent to parents with instructions on how to order.
- 2) Parents order emergency kits directly on our site through a custom product page made just for your school!
- 3) At the end of the order period kits are labeled with student's names and grades and delivered to the school for distribution. A master list of all orders is also included.

That's it! It's that easy!

## FREQUENTLY ASKED QUESTIONS

### What's in the kit?

Our kits contain nut-free food bars, water pouches, an emergency blanket, a light stick, and wet wipes. They have a 5-year shelf life but can be customized or upgraded to 50 year shelf life Blue Can Water upon request. Our small, medium, and large Child Comfort Kits are also a great option if they better fit school requirements.

### When are the kits delivered?

Once you fill out the form on this page or phone our team (1-888-832-1733) someone will be in touch to discuss your timeline and delivery preferences. We generally find a two-week order window, and one week processing time works best.

### What happens if parents don't provide their child's name and grade?

When a parent does not list the name and grade of their child the name of the purchaser (usually the parent) is listed on the kit in place of their child's. We include a master list of all the orders, children, and grades at the time of delivery and these exceptions will be noted there.

### How do the kits arrive?

For schools in Victoria and on the Saanich Peninsula, we deliver the kits ourselves. For those outside of our range, we ship via courier. Kits arrive clearly labeled with student's names and grades and are sorted and packed by grade. A master list of all orders is included with the boxes and emailed to the school's contact person.

*"Total Prepare makes the process really easy and it has been a pleasure to offer this to our school families."*

- Cherylin Deane (Pacific Christian School)
